ATELIER No. 62

EXPERIMENTAL PLATFORM FOR THE ARTS

12th of April 2019 from 19 h
PACT Zollverein

Since 2002, PACT has been the scene of a series of very special take-overs widely known under the title ATELIER. The ongoing format invites artists from the local region, Germany and abroad to present their current projects to a broadly interested audience at PACT. With no subject or genre restrictions, each ATELIER edition gives rise to new, surprising constellations of contemporary artistic positions.

ATELIERs offer both emerging and established choreographers, dancers, performers, visual artists and musicians the possibility to show their work as part of a shared evening length programme that traditionally takes over the whole former industrial building. Both completed works as well as works in progress are welcomed

Participants receive:

- An expense allowance
- Local accommodation (booked and paid by PACT)
- Travel costs covering one journey only per participant to and from PACT
- Material transport costs (by arrangement) covering one delivery to and from PACT
- Technical equipment (subject to availability)
- Presentation of own work (max. 20 min. duration for stage works)

Application online only:

Application deadline:

04. March 2019

We would be pleased if you could forward the announcement to interested parties and/or post it in your institution. Thank you very much for your support!
